NOTICE – PRIVATE SALES

Dear Exhibitor / Vendor,

As per the Regulations listed in the Show Schedule, the EWSSS Committee advises that all private sales arising at and from the Elite White Suffolk & Suffolk Show & Sale, whether before and/or after the sale is conducted, will be liable for a 5% private sale commission.

The Committee must be notified in writing, a Private Sale Notification Form will be available at the event, of any private sale that occurs at the event (from time of arrival until departure). It is the vendor's responsibility to ensure this form is completed and returned to the Secretary following the private sale.

An invoice will be forwarded to the vendor for 5% of the total purchase price. This commission will assist in funding the event to ensure the show and sale continues to run successfully.

Should you have any questions regarding private sales please contact John Jamieson (EWSSS Chairman) on 0427 500 676.

Regards,
EWSSS Committee
